

## GUARANTEED SPECIFICATIONS

### POTASSIUM METABISULPHITE FOOD GRADE E 224

**CAS number:** 16731-55-8  
**Chemical formula:**  $K_2S_2O_5$   
**Appearance:** white or colourless free flowing crystals, crystalline powder

**Assay,  $K_2S_2O_5$**  min. 95 m/m%

**SO<sub>2</sub>** min. 54,7 m/m%  
**Thiosulphate:** max 0,1 m/m% based on the SO<sub>2</sub> content  
**Iron:** max. 10 ppm based on the SO<sub>2</sub> content  
**Selenium:** max. 5 ppm based on the SO<sub>2</sub> content  
**Arsenic:** max. 3 ppm  
**Lead:** max. 2 ppm  
**Mercury:** max. 1 ppm  
**Heavy metals:** max 10 ppm

**Packing:** 25 kg PE+PP bags (1 MT / 1 pallet, stretch filmed)  
1 kg BOPP+Alu+PE bags (840 kg / 1 pallet, stretch filmed)

**Shelf life:** 3 years after the date of production in original closed packing.  
**Store in dry, cool, well-ventillated places away from heat sources.**

Potassium metabisulphite manufactured by Agroterm Ltd has been produced in Hungary. The product is of Hungarian origin. The raw materials (KOH, S) are of European origin.
